

OUR VISION- MINISTRY OF MICHELLE GOLD & JOE FRANCO

VISION: Our ministry exists (God has called us) to awaken a contagious passion for Jesus in the hearts of all people from every nation.

MISSION: More specifically, through music & Bible teaching, we focus on 1- bringing Christ's salvation 2- Teaching & bringing healing to the hurting & confused. Also, Michelle's Jewish heritage & Joe's work with the ministry of Jews for Jesus has given us a special heart for sharing Jesus with Jewish people.

FOUR DYNAMICS (Aspects) OF OUR MINISTRY:

- 1- **EVANGELIZING**- making salvation through Jesus Christ an unavoidable issue
- 2- **ENGAGING**- Engaging Jewish People. Just like Ester brought salvation to the Jewish people in critical time, we bring the news of God's salvation through Jesus the Messiah through music and also by example
- 3- **EDIFYING CHRISTIANS**- Creatively expressing God's hope, help & healing in the context of church gatherings & events
- 4- **EQUIPPING ARTISTIC CHRISTIANS**- encouraging, mobilizing & equipping other artist-ministers to go forth in their calling to sing & preach the Gospel fearlessly & with integrity. We do this through caring & training

Allowing God to change the course of history through us with a song & a word
